VACATION RENTAL PROPERTY GUIDELINES

Revised December 2018

I. There will be a formal, signed lease agreement between the owner and the tenant, negotiated by L.S. Robinson Real Estate and its agent, and duly signed by both.

II. All rent monies will be paid directly to L.S. Robinson Real Estate and the commission will be deducted by the agency. The balance due to the owner will be forwarded within ten (10) working days of beginning of lease period, according to the terms of the lease, unless other arrangements have been made or there are unresolved issues. Maine State Lodging Tax of 9% must be collected on all rents and will be charged on the gross rental figure, payable by tenant. Certain rentals over 28 days may be exempt from lodging tax.

III. A security deposit will be required of all tenants, and will be held in a Robinson Real Estate Rental Escrow Account, to be released to the tenant ten (10) days after the termination of lease agreement. Return of security deposit is dependent upon inspection and after clearance by the owner or owner's representative, and is subject to payment of damages to and/or excess cleaning of property real or personal. A phone deposit may be required, and held for 90 days for payment of telephone long distance charges (and other utilities if so defined in lease) as presented by owner. The balance over and above the total of these charges will be returned to the tenant as soon as bills have been received from owner, with copies of all bills. In some longer term leases, telephone and electric services may be required to be transferred into the Lessee's name. B. Leave the premises in clean and orderly fashion, with only minimal amount of soiled laundry, all dishes put away, all used beds stripped, and broom-clean. Payment for excess cleaning will be deducted from security deposit.

C. Premises MUST be vacated by the time indicated on your lease on the day of departure and cannot be occupied before the time indicated on your lease. An hourly charge, up to \$30/hour, per cleaning person inconvenienced, may be deducted from the Security Deposit if departure is not completed by the designated time.

D. Provide own gas for boat if one is included in lease.

E. Provide own firewood beyond that which is left on premises by owner.

H. Assume financial responsibility for all long distance telephone charges, in-state toll calls, and/or utilities if so written in lease. Payment to be made from utilities deposit and additional personal funds as necessary. Notify agency if toll charges might exceed utilities deposit. AOL, especially, is an in-state toll call from this area. Even if out-of state long distance calls are blocked, often in-state toll calls (7 digit numbers) may not be blocked.

I. Contact agency immediately in case of emergency or damages.

J. Return keys to location found upon arrival. Leave door as found upon arrival (locked or unlocked). There is a Key drop at L.S. Robinson Insurance entryway in brown box.

VII. AGENCY RESPONSIBILITIES

A. Prepare complete leases, duly signed, and provide copy to owner and tenant as well as file copy.

B. Collect all deposits, security deposits, rents, and sales taxes as applicable, holding security deposits in L.S. Robinson Real Estate Escrow Account as required by law. Forward all proceeds to owner (after beginning of lease), pay all Maine State Lodging Taxes in timely fashion, reimburse owners for telephone and/or utilities charges and/or damages by tenant, and return balances of deposits to tenants with full accounting.

C. Forward IRS Form 1099 Misc. and income statement to owner by January 31 annually. Forward IRS Form 1099 Misc. to IRS by February 28 annually.

D. Notify owner and/or caretaker of any problems that arise during lease periods, as necessary; handle emergencies immediately and directly.

E. Expose all properties to potential renters by use of listing sheets, brochures, web pages, and generic advertising as deemed appropriate by agency.

VIII. SECURITY DEPOSITS

If a charge is to be levied against a tenant's security deposit for damages or cleaning to real or personal property, the agency must be notified immediately. This notification should include the date the damage was discovered, the extent of the damage, and an approximation of repair or replacement cost. If possible, cleaner/caretaker should take digital pictures of damage and forward to agency. Repair or replacement should be undertaken immediately, and a copy of the bill forwarded to L.S. Robinson Real Estate for charge back against the Lessee's security deposit. *In the absence of notification by the owner or owner's representative of any damages within 10 days following termination of the tenancy, the security deposit will be refunded in full to the Lessee.*

IX. PHONE DEPOSITS

All bills for long distance and/or utilities charges will be forwarded to L.S. Robinson Real Estate immediately upon receipt by owner. The owner will be reimbursed from the tenant's phone deposit (at the end of 90 days), and the balance of the deposit will be returned to the tenant with a copy of the bill that has been paid. Because of the nature of billing cycles in relationship to tenancy, these accounts may take several weeks to clear. Total long distance charges for less than \$1.00 will not be reimbursed. AOL, especially, is an in-state toll call from this area. Even if out-of state long distance calls are blocked, often in-state toll calls (7 digit numbers) may not be blocked.

Pet Policy

Dear Tenant,

FLEAS & TICKS - Our owners require that those tenants bringing pets follow one of the following two procedures for control of fleas & ticks. The first option is to have your pet use Program which is an internal medication to prevent fleas. The second option is to use Frontline Top Spot or Advantix which are topical neck treatments. The topicals actually kill the fleas & ticks whereas the Program only makes them sterile. Please check with your veterinarian as to which treatment is suitable for your pet. Flea baths and collars are not sufficient and we have eliminated use of flea bombs as they delay entry of cleaning people.

Because fleas & ticks may not hatch until two weeks after your departure, we will be holding your security deposit an additional week and will return it to you 17 days after your departure instead of the 10 days listed in our guidelines.

CLEAN-UP – You are responsible for the cleanup of all pet excrement on a daily basis since the lawn may need mowing during your stay.

FURNITURE – Please, no pets on the furniture. The cleaner has a limited time before the next family arrives for their vacation. It is very time consuming to clean furniture of pet hair and many owners have stopped allowing pets for that reason. Excessive pet hair can lead to additional cleaning charges against your security deposit.

LAWS – The towns on the island and Acadia National Park all have leash, clean-up, and barking laws. Please abide by them to protect your pet and keep your neighbors happy.

SAFETY - Please don't leave your pet (especially small ones) outside unattended. This is a rural area and there are many forms for wildlife (eagles, foxes, coyotes, etc).

If you have questions, feel free to ask. Remember, every time we have a problem with a pet, that is one more property that will no longer be available to pet owners.

Sincerely,

Joseph & Sheri Wright
